

641—176.5(135,17A) Review process (competitive applications only). The review process to be followed in determining amount of funds to be approved for award of contract shall be described in the competitive selection application. The review criteria and point allocation for each shall also be described in the competitive selection application.

The review committee membership shall be determined by the bureau chief, with oversight from the respective division director. The review committee members shall allocate points per review criteria in conducting the review.

In the event applications for the service delivery area receive an equal number of points, a second review may be conducted by two division directors and the respective bureau chief administering the program.
